National Novel Writing Month

November is National Novel Writing Month (NaNoWriMo)

NaNoWriMo: write a novel in a month

This is the challenge:
write 50,000 words in 30 days.

That is an average of 1,667 words/day.

We believe you can do it!

The *only* thing that matters in NaNoWriMo is output. It's all about quantity, not quality. "Writing by the seat of your pants" forces you to lower your expectations, take risks, and write on the fly.

Writing starts November 1 and ends November 30.

No exceptions!
