E-mail Changes Coming…

The Office of Information Technology (OIT) is in the process of migrating the e-mail system you access using Outlook (Microsoft Exchange) to the new IT Operations Center (ITOC) in Takoma Park/Silver Spring. The first step is to move Outlook Web Access to its new home in the ITOC.

What does this mean to you?

The current Outlook Web Access Login page looks like this...

![Outlook Web Access Login Page](image1)

Beginning Friday, September 18, the new Outlook Web Access Login page will look like this...
