Resources and Articles around the research and needs of Part-Time Students

“Not a Number” Inside Higher Ed article

“As colleges embrace 15 to Finish strategies to bolster completion, we must not create a situation where part-time students become even more likely to drop out, argues Karen Stout.”

<https://www.insidehighered.com/views/2018/04/30/helping-part-time-students-complete-college-opinion>

“Why part-time student success may be the key to education equity” EAB Article

“The issue may be we are not setting our part-time students up for success. And given the typical composition of part-time students, which are disproportionately underrepresented populations, our inability to serve part-time students is inextricably linked to our equity challenge.”

<https://www.eab.com/blogs/the-community-college-blog/2018/05/part-time-students-educational-equity>

“Why community colleges can’t ignore the needs of part-time students” PBS.org Article

<https://www.pbs.org/newshour/education/why-community-colleges-cant-ignore-the-needs-of-part-time-students>

“A Promising Model to Boost Retention for Part-Time Students” American Progress.Org Article

“The college’s leaders believe they have developed an affordable way to improve the low retention rates of their part-time students—by offering some key elements of a traditional college experience to students who often don’t get to enjoy those resources.”
