Montgomery College—Gaithersburg Training Center

12 S. Summit Avenue, room 442

Gaithersburg MD 20877

What is CLEP? The College-Level Examination Program® (CLEP) gives students the opportunity to receive college credit for what they already know by earning qualifying scores on any of the **33 exams** that are offered. These exams test knowledge in the areas of Composition and Literature, Foreign Languages, History and Social Sciences, Science and Mathematics, and Business. Earn college credit in less time and for less money than actually enrolling in the class!

Plan to attend the open house to learn more about:

- How the program works
- What test subjects are offered
- The exam registration process
- How to prepare for the exams
- How scores count for credit
