

## Learning Communities in the News

AmericanRadioWorks chose our Learning Community *Race and Immigration in America* for its documentary on Latino students, *Rising by Degrees*.

Katy Sorto, featured in *Rising by Degrees*.

## African American Voices at the Smithsonian

Learning Community students of African American History and EN 102 study "Race & Identity" at the Smithsonian.

## Acceleration!

ESL students can now take a college course: Introduction to Business (BA 101) with EL 104 in a learning community. For full information, contact <marcia.bronstein@montgomerycollege.edu> .

Service learning helps learning community students build business knowledge in a real world context.

## Dear Students,

### Learning Community **COURSES**:

- ENHANCE each other. They don't compete for your studying time and energy. Assignments often get credit in both courses.

### Learning Community **COSTS**:

- Are LOWER. Books & materials are often shared in both courses.

### Learning Community **SCHEDULES**:

- Are COMPACT and CONVENIENT.

### Learning Community **STUDENTS**:

- Get HIGHER than expected GRADES,
- Complete programs SOONER,
- Have a BETTER OPINION of school and of themselves as students.

### Learning Community **FACULTY**:

- Work together for your SUCCESS,

### Learning Community **CONTENT**:

- Is PRACTICAL and MEANINGFUL,
- Explores big, INTERESTING subjects of society.

*Contact me any time,*
