Montgomery College’s Classification unit is responsible for managing staff pay systems. This involves the determination and recommendation of changes to the salary structure, the establishment and classification of job classes and the assignment of positions to the job classes. In addition, the employees of this unit ensure that the College complies with the federal, state and county laws related to pay.

Four employees provide advice and support to employees at the College, Phill Daniels, Human Resources Manager, Sharon Parker, Human Resources Specialist, Toni Ogden, Human Resources Associate, and Patricia Holland, Human Resources Specialist. Patricia is involved in compensation matters affecting the Office of Information Technology. Recently, these four individuals have been working with the Compensation Focus Group and Hendricks and Associates in redesigning the classification and compensation systems and developing tools and other resources to improve the effectiveness of our programs.
