**Lily Qi, Assistant Chief Administrative Officer for
Economic and Workforce Development**

Presentation: 9:30–10:30 a.m.

How do we create a sense of community in Montgomery County? What are some of the cultural, economic, and political dynamics of the new Americans in our community? What are the business dynamics and how would Montgomery County compete both locally and globally? Lily Qi will explore these issues drawing upon her experience as both a new American and the County's top official overseeing economic and workforce strategies and partnerships.

**Steve Roberts, Journalist, Published Author,
and Montgomery History Presenter**

Presentation: 10:30–11:30 a.m.

This presentation will focus on the immigrant experience from multiple perspectives and explore the vibrant and dynamic transformation underway. Steve Roberts, will draw on his long career as a journalist, in particular his regular columns in *Bethesda Magazine* which highlight the personal stories behind the larger trends.

Dedication: 70th Anniversary of Montgomery College
