

FREE PROGRAM ~ JUMPSTART YOUR CAREER \$500 SCHOLARSHIP UPON COMPLETION

Future Link is now accepting applications for our Fall 2016 seminar

"The skills that you acquire along with the confidence that you gain is priceless. I now feel confident to go into an interview, to advocate for myself and to face struggles with optimism simply because I know I have been prepared." ~ Jessica, Spring 2016

Your entry point is our 15-week non-traditional seminar class which meets every Monday, 4:30-7:00pm, at Montgomery College - Rockville Campus, September 12 through December 19.

- Learn how to advocate for yourself in school and in your workplace.
- Visit a corporate (business) site to learn about in-demand careers and skills needed for success.
- Explore careers and take a career skills inventory to identify your own interests.
- Practice and conduct an informational interview in your career field of choice.
- Establish professional connections and learn about networking.
- Develop an educational and career plan that will serve as your roadmap.
- Work within a small, supportive group of 12-15 students.

After successfully completing the 15-week seminar, you will have access to supports to help you work towards your educational and career goals including:

- \$500 scholarship
- Mentor
- Additional informational interviews
- Selective internships
- Workshops and social events
- Continued support of the Future Link family

This program is **free** to those individuals, ages 18-25, who live in Montgomery County and are committed to attending every seminar class and focusing on their future.

Deadline to apply is September 1.
