Open House and Pizza Party

November is Career Month. Meet career team members and learn about the month's programs, events and services available.

Friday, November 3

### Health Sciences: How to Prep for the TEAS Exam

11:00-12:30 p.m., BE160

What do Diagnostic Medical Sonography, Nursing, Physical Therapy Assistant, and Radiology Technology programs have in common? They all require the TEAS (Test of Essential Academic Skills) for admission. Come get the inside scoop on how to get admitted and pass this exam the first time around.

Monday, November 6

### Discovery Communications: Networking Do's and Don'ts

12:00-1:15 p.m., HT 216

There are a lot of misconceptions about what networking is and how it works. Come hear from representatives from Discovery Communications (The Discovery Channel) who will share how to network effectively and use social media as a powerful tool to get your career started.

Tuesday, November 7

### Résumé Workshop

12:00-1:00 p.m., HS 150

Come learn how to make a winning résumé for employment or transfer/scholarship purposes.

Tuesday, November 7

### Holy Cross Health Recruiting

2:00-4:00 p.m., HT Building, Globe Hall

Holy Cross Health is hiring – and not just for healthcare careers. They have opportunities in Administrative Services, Behavioral Health, Financial Services, Food and Nutrition, Human Resources, Facility Services and more. They offer tuition assistance, a minimum starting salary of \$15/hour and much more. Recruiters will talk about opportunities for everyone and answer your questions about why Holy Cross Health is a great place to work!

Wednesday, November 8

### The Polished Professional

12:00 – 1:30 p.m., HT 216

Your classes at MC prepare you for the workforce, but are you ready for the interview? Do you know how to present yourself best on the job? A professional etiquette consultant will present a workshop for students interested in developing work success skills.

Thursday, November 9

### So You Want to be a Teacher?

2:00 – 4:00 p.m., PK 179

Wondering if you have what it takes to be a classroom teacher? Come hear about the Associate of Arts in Teaching (AAT) degrees and the new requirements for the programs. Meet current teachers, view a day in the life of a teacher, and get some of your pressing questions answered.

Tuesday, November 14

### Considering a Career in Law or Paralegal?

11:00 – 12:30 p.m., HT 216

There are many pathways to enter the law field. If you are wondering which are best suited for you and how to prepare for law school entry, this is the event for you! This panel features a judge, a US State Department attorney, the pre-law advisor from the University of Maryland, and MC Paralegal Studies faculty. Bring all your questions about this exciting field.

Thursday, November 16

Tuesday, November 28

### Co-op & Internships!

November 16, 12:30-2:00 p.m., HT 404

November 28, 1:00-2:30 p.m., HT 216

Learn about the many opportunities to earn credits while gaining work experience—all majors and F1 students can benefit.

Friday, November 17

### Careers in Engineering: It's More than Math and Science

12:00-1:30 p.m., HT 216

Come learn from former MC engineering students how to succeed academically at the university level, get information about transferring to top tier engineering programs, acquiring internships, and find out what skills are critical for success in this field.
