## REPORTS FROM FACULTY TRAVELERS TO EL SALVADOR

Sixteen members of the Montgomery College community will travel to El Salvador this March, as part of the Global Humanities Institute's "Seminars Abroad" initiative, to participate in a series of discussions with faculty and students.

Hear about their experiences and discoveries. Learn about their research projects as independent scholars and thinkers whose aim is to bring global knowledge back to MC and to their students.

## GLOBAL HUMANITIES INSTITUTE

The Global Humanities Institute is a new globalization project of Montgomery College, funded in part through a challenge "Bridging Cultures" grant by the National Endowment for the Humanities. Our purpose is to support the systematic integration of other cultures and countries to the study of the humanities. Our project includes faculty training and support of teaching, cultural community engagement, research and scholarly work, and scholarly exchanges abroad as we travel to China, India, and El Salvador. We invite you to join us as we work to meet the imperative goal of preparing students for a global future.
