JEWELRY DONATION FORM

A PROJECT OF: Ethical Metalsmiths

SUPPORTED BY: Baltimore Jewelry Center, Towson University, Montgomery College

A project of Ethical Metalsmiths, Radical Jewelry Makeover was founded in 2007 and has been iterated 12 times. In each makeover, the broader community is mobilized to donate jewelry (costume or fine jewelry, intact or broken) and "mine" their own narratives connected to that jewelry. The donated jewelry is then utilized by a team of jewelers, students and professionals alike, in the creation of new work. The project culminates in an exhibition of the new work where the new work can be purchased.

I am making a tax-deductible donation* of unwanted jewelry and understand that it will NOT be returned. Ethical Metalsmiths and participating artists have my permission to melt down, hammer, cut and change beyond recognition any and all of the jewelry that I donate for the Radical Jewelry Makeover. I understand that my donation will be assigned a dollar discount coupon value by the organizers based on the value of the materials (gold, sterling silver, plated, plastic, etc.). A record will be kept of my donation discount. Jewelry donors will be able to apply their donation discount coupon toward the purchase of a piece of Makeover jewelry. I understand that I will not receive monetary compensation for the point value of my jewelry donation, whether I choose a piece of Makeover jewelry or not. Donors will receive an email stating coupon value and will be able to redeem their discounts in person at the next exhibition and through online sales.
