Governance Effectiveness Focus Group Opportunities

MONTGOMERY COLLEGE

Montgomery College invites students, staff, faculty, and administrators to contribute their insights regarding the effectiveness of the institution's Participatory Governance Model.

SEVEN GROUPS. ONE SESSION.

Choose the focus group that best fits your schedule. Virtual sessions are organized by constituent group; in-person sessions are open to all groups. All sessions cover the same topics—attend just one.

YOUR VOICE, PROTECTED

The Analytics and Insights area will facilitate the focus groups. Each participant will be assigned a unique identifier for transcription and analysis. Names and other direct identifiers will not appear in transcripts, data records, or reports generated from the groups.

PLEASE NOTE

Advance registration is required. Links and location details will be shared with participants later.

READY TO PARTICIPATE?

SIGN UP FOR A FOCUS GROUP

Join the conversation and help shape the future of Participatory Governance at Montgomery College.
