

FALL 2026

SLINGSHOT CHOICE

FOR ALL MC CREDIT STUDENTS

Getting your required textbooks and supplies is now completely automated.

HERE'S HOW IT WORKS

When you register for credit classes:

- 1. You're automatically enrolled in Slingshot Choice**, a new service that delivers all your required course materials.
- 2. Your books and supplies are delivered to the Rockville Campus Store** (default) or choose another location through the Slingshot portal.
- 3. Choose between new, used, or digital materials** (default) through the Slingshot portal.

WHY YOU'LL LOVE IT

- Be prepared for class—no last-minute searching.
- Automatic ordering means less stress, more time to focus on learning.
- Charges are applied to your student account. Financial aid book credits can be used if available.

You'll receive an email from Slingshot with delivery details after registration.
